

GMC 49ers May 2026 Rally
May 15-17, 2026
Almond Tree RV Park
3124 Esplanade
Chico, CA 95973

In advance of sending out the reg form, we want to give GMC 49er members a heads up about the upcoming rally. Weather forecast at this time is clear, with daytime temps in the low 80s, and nighttime in the 50s. The clubhouse is large with a full kitchen and they have a swimming pool. We have reserved only 15 full hook-up sites; there are no more available, so get your reservation in as soon as you can once the registration form is sent out (still working on it). RV Park rates are very reasonable – under \$50 per night!

As you may be aware, Chico is a very active and interesting college town, with lots to do. We are finalizing a list of activities that will include (hopefully) a tour of the Sierra Nevada Brewery - it's awesome, even for non-beer drinkers (like Donna). We did the tour in 2023 and it was amazing. They also have a café at the brewery that is supposed to be very good.

Other sites to see include the Bidwell Park (we did a hike here – gorgeous!) and Mansion, and the New Clairvaux Vineyard and Winery which we also visited. The land serves as a home to Trappist-Cistercian monks – read the vineyard's fascinating history at newclairvauxvineyard.com), a walking/driving tour of the Murals of Chico, and the Museum of Northern California. We are still researching other interesting things to see and do. If you have any ideas, please let us know. We're looking forward to seeing you there!
