The 49ers will be holding their sixth annual Camp Russian River Resort Rally on July 10-12, 2026. Everyone that attended the previous rallies agreed that it is an ideal location for a rally even though there is not an available club house. There is 30amp power and water available along with showers. A "Honey Bucket" truck will be available for those who need their holding tank emptied. This service is only available on Friday. The cost is \$50.00.

The Resort has blocked out Monday July 6 through Thursday July 9 before the "official" rally for those who want to extend their stay. The cost of the additional days is \$72.80/night. No need to call the resort if staying extra days, just pay for the additional days upon arrival. For those wishing to stay over Sunday night the Resort will charge their regular fee of \$84.00.

Friday night dinner will be Hot Dogs, Chili, Corn Bread and Salad. Saturday night will be a catered meal. Breakfast on Saturday will be Omelets in a Bag. Sunday will be a Continental breakfast.
